

December 29, 2016

Dear Kevin & Kari,

It was a pleasure working with you. We decided on the sale price of our home and you handled all the paper work so so quickly.

We were very anxious to sell and move forward into our future. We would recommend you to anyone wanting efficiency, and patience.

Allowing our occupants to stay months after purchase, is to say no more. Our Corona property is in good hands.

Sincerely,
The Cook's
