Dear Kevin,

This is the easiest letter of recommendation I have ever written.

Two years ago, I received a letter in the mail from Kevin telling me how he bought houses as is and all the great other things he could do for me. I put it away in a drawer. This year I realized I really needed to sell and move to a smaller place. I contacted Kevin, we made an appointment, he came, told me what he could do for me, offered me a fair price and I sold him the house that day! Every-
thing he told me is the absolute truth!!

I had lived here for 45 years and dreaded moving, but he has made it so easy for me. I highly recommend Kevin & his company.

Sincerely

Alta Jamile
